

FALL IN LOVE WITH CHIRO:

PRACTICE MEMBER APRECIATION WEEK

Starting Monday October 4th - 7th
we will be celebrating you as being
apart of our Roots Family!
Please join us this week in spoiling you
with fun fall treats and surprises.

♦ **ROOTS HEALTH CENTERS - SARASOTA MANA...**
to spin the wheel for a surprise!

CHIRO TIPS:

1. PAY ATTENTION TO BACKPACKS
2. FOCUS ON YOUR SITTING POSTURE
3. PRIORITIZE CONSISTENT SLEEP

We want to serve our community!

Unfortunately some members of it are
unaware that there is a natural and
non-invasive solution to their health
concerns.

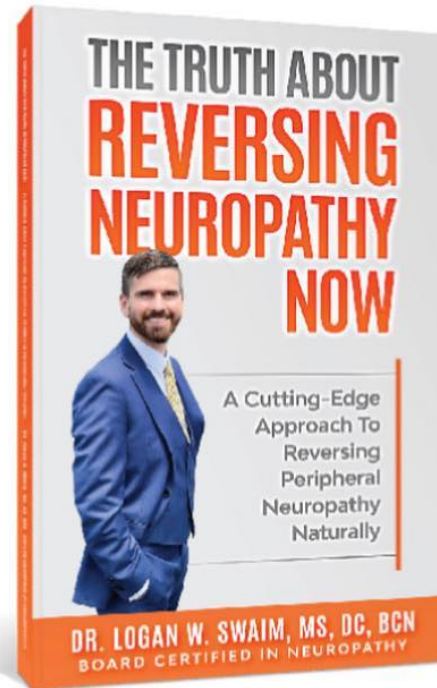

By sharing your testimony with them
you are helping us reach out!
This month we are entering you into
our raffle for a basket full of our merch
with every testimony you share.

Ask our team how to enter!

CONGRATULATIONS DR. LOGAN!

Dr. Logan's book is now available!
He discusses an innovative and natural approach to help those who struggle with the daily symptoms of neuropathy. Please see the front desk to purchase your copy!

"You're about to discover a true breakthrough in treating peripheral neuropathy that may help you to gain your life back."

CELEBRATING OUR ROOTS FAMILY

Last month these amazing practice members committed to another year of great health! We are honored to continue serving you!
